

# **BENTON COUNTY QUORUM COURT**

## **JUDGES REPORT**

September 24, 2015

- Great River Engineering is working on the War Eagle Bridge planning.
- The Old Courthouse exterior and interior renovations per the Walton Foundation Grant are in progress
- Treanor Architects work with Benton County on the County Jail expansion and long term planning is in progress.
- The Rogers Benton County Offices parking expansion has be approved and work will begin immediately.
- Some of the Sheriff's jail staff and I made a trip to Tennessee this week and viewed some of the pre-fab jail cells which will be designed into the jail expansion.
